SUBJECT: **Report from City Manager's on Process to Recruit New Executive Director**

Recommendation

There is no recommendation associated with this item at this time.

Background

At the November 2008 Board meeting, included with the selection of the interim executive director, the City Manager's were requested to return in January 2009 with a process to recruit a new executive director. It was suggested that the process could be short and targeted. The manager's have begun refining the Scope of Services, and anticipate presenting a process at the March 2009 Board meeting.
